All marching bands from outside of Red Deer will receive an appearance fee of \$20.00 per uniformed band member for participating in the Westerner Days Parade.

In the event of severe weather on Parade morning, all marching bands from outside of Red Deer will receive an appearance fee of \$20.00 per uniformed band member, according to the following:

- 50% of the total appearance fee for arriving in the marshalling area, and
- the remaining 50% of the total appearance fee for waiting for the decision to be made, in accordance with the Westerner Park Severe Weather Policy, to proceed with the parade or cancel. Failure to remain in the marshalling area prior to a decision being rendered will result in the band receiving only 50% of the total appearance fee.
- Should the band decide not to participate once the decision has been rendered to continue, they must immediately notify the Parade Committee Chair of their intent to depart.

Cheques for appearance fees will be mailed out during the week following the Westerner Days Fair to the addresses indicated on the Band Application Form.

We are aware that participants may appear in media coverage and have read and agree to the attached Parade Rules & Regulations.
