FIONN

Twin sisters Alanna and Brianne Finn-Morris have quickly ascended through the ranks since their debut, crafting music that transcends genres and resonates deeply with listeners. Since signing with 604 Records in 2018, their releases have earned millions of streams, a #1 single at Canadian Alternative Radio, and spots on editorial playlists like *All New Rock*, *Brand New Music*, *Fresh Alternative* and *Ready to Rock*. Their music has garnered praise from tastemakers such as Exclaim!, Billboard, and Revolver who commend their timeless harmonies, soul-stirring melodies, and poignant lyricism. Fionn's journey is one defined by artistic evolution and unwavering dedication, promising a future filled with continued innovation and musical excellence.

PRESS QUOTES

"A fiercely catchy slice of electro-pop" — American Songwriter

"Their sound is timeless: transcendent harmonies, soul-stirring melodies, and haunting lyrics take the listener out of the current moment and into another realm." — Ladygunn

"Vancouver twin sister duo Fionn are one of Exclaim!'s favourite emerging Canadian artists, and they are continuing their exploration of sparkling electronic pop." — Exclaim

"I Might Start Smoking is a catchy, introspective album that marks a significant milestone in the sisters' musical journey."

— Canadian Beats

"Retro cool indie-pop." — Popdust

"Their aching honest lyrics and well-balanced harmonies are undeniably seasoned." — Billboard
